

Wine List

Our wine list presents a careful selection of current vintages, in addition to interesting well-aged wines from Greek and International vineyards.

In the Vintage Wines section we have chosen to present a collection of increasingly rare well-aged vintages, as well as limited release wines that have been kept in our temperature-controlled cellar in Greece's sunny climate to keep them pristine. The focus is on local wines, such as Mavrotragano P.G.I. Cyclades (Protected Geographical Indication) and Santorini's most famed grape, Assyrtiko P.D.O. Santorini (Protected Designation of Origin) - a white variety known to benefit from ageing. This approach invites wine aficionados to experience a vertical tasting by comparing bottlings of a certain wine from different years, or a horizontal tasting by selecting a single year and comparing wines produced by different wineries.

Older, properly aged and cellared wine is more than bottled history. There is no substitute for time - the magic in the bottle is truly displayed only when it matures.

Please be aware that due to the nature of these wines there is limited stock. All vintage labels are served using Coravin preservation system. If you have any questions please consult a member of our team.
